We are looking for an enthusiastic team member who is committed to learning and expanding their knowledge of their discipline. WEBB offers a competitive benefits package to all full-time associates. In addition to health coverages and financial security, we provide:

- Mentor Program
- 401(k)
- Membership Sponsorship
- Medical
- Wellness Program
- Vision
- Dental
- Educational Assistance
- Life Insurance
- Disability

Responsibilities

- Meet with clients, engineers, and architects to understand a project scope, budget, and schedule
- Prepare conceptual landscape plans/construction documents, specifications, cost estimates, and proposals
- Coordinate the arrangement of existing and proposed land features and structures
- Prepare graphic representations of proposed plans
- Assist in the selection of appropriate materials for landscape designs
- Analyze environmental reports on land conditions, such as drainage and energy usage
- Inspect landscape work to ensure it adheres to the original plans
- Train and mentor design staff
- Work collaboratively with other engineering and technical disciplines within the firm
- Responsible for the overall design quality of landscape projects
- Assist in the growth and development of the firm

Requirements

- Bachelor's Degree in Landscape Architecture
- California Licensed Landscape Architect
- Minimum of 7-10 years of experience as a landscape architect in a landscape architecture or multi-disciplinary design firm
- Extensive plant and irrigation knowledge and experience throughout Inland Southern California
- Experience with public and private sector landscape architectural project types
- Strong proactive interpersonal client relationship skills
- Portfolio of constructed work which demonstrates technical capabilities
- Demonstrated ability to guide and motivate personnel
- Advanced skills in AutoCAD, Land F/X, Photoshop, Illustrator, Sketch Up, InDesign, and Microsoft Office
- Perform highly detailed work on multiple, concurrent tasks while working under intensive deadlines
- Certified Irrigation Designer (CID) and/or Certified Landscape Irrigation Auditor is preferred
