ASSOCIATE BENEFIT SUMMARY

Health & Well-being

We want you to feel well so you can perform at your best, both professionally and personally. Our benefits include affordable HMO and PPO health plans, vision, dental, and flexible spending accounts as well as mindfulness, wellness, and fitness programs.

Time Off

We understand how challenging it can be to balance your work with other demands and responsibilities. When life events occur, either big or small, we want to make sure you feel fully supported. WEBB provides paid time off which includes vacation and sick leave, and offers an Alternative Work Week Schedule (9/80) to meet your needs.

Financial & Survivor Benefits

Financial security is important to your overall well-being. Along with competitive compensation, WEBB participates in 401(k) and profit-sharing contributions, a bonus program for high-performing associates, life insurance, long-term disability, and voluntary insurance programs.

Professional Development & Educational Assistance

To support you in your educational and professional pursuits, WEBB provides financial assistance for educational courses and conferences, professional registrations, and annual technical society memberships.
